

CITY ACADEMY

WEEKLY NEWSLETTER APRIL 2, 2008

It is hard to believe we are beginning our 4th quarter of the year! This quarter students will be preparing their portfolios, taking end-of-year-exams, and doing many other rigorous activities. Let us know if you have questions about how you can support them in these tasks.

Volunteers Needed

City Academy is hosting a Junior Prom for **7th and 8th graders only** on Thursday, April 10th, from 7-10 p.m. We do not have school on Friday, April 11th. The Social Committee would appreciate any snack or beverage donations for this event. Chaperones are also welcome. If you would like to help out, contact katie@cityacademyslc.org or call the main office: 596-8489.

*Watch for details about the upcoming Senior Prom that will be open for all high schoolers. That event will take place May 17.

City Academy Theater Production!

The City Academy Theater Program has been hard at work preparing for Dr. Jekyll & Mr. Hyde. The show will be performed at the **Rose Wagner Theater** in Salt Lake City, **April 16-18**. More details about times and tickets will be available in next week's newsletter.

We Need Science-y Parents

City Academy is planning an in-house science fair this spring and we need your help. We need parents, friends and family

members who are available during the school day to help guide students through their own projects and we'll need judges for the big event in June.

You can pick your own grade level or subject area. If you are interested in helping please contact Shea, shea@cityacademyslc.org

**IMPOR-
TANT
DATES**

APRIL 1
Begin 4th Quarter

APRIL 4
Monday schedule-
no early release

APRIL 11
No School

School Carnival

City Academy is having its annual carnival on Thursday, May 29th. As members of the prizes/decorations subcommittee we are writing to ask about prizes for the carnival. We are looking for ideas and donations to help plan the carnival. Here are some examples of items to be donated: laser lights, 3-D glasses, hacky sacks, gift certificates, packets of gum, candy, little trinkets, etc. We are also looking for decorations to fit the following themes of the carnival: 3-D, techno, and hat.

If you have any questions/comments/concerns or want to donate or help with the carnival please talk to Jodie Madsen (advisor to Fundraising Committee), Dan Call (advisor to Fundraising Committee), Sarah Müller (leader of prizes/decorations subcommittee), or any of the members of the prizes/decorations subcommittee.

Thanks you for all of your help and hard work,
The prizes/decorations subcommittee

City Academy Service Learning Day Celebration!

Save the date - Thursday, April 17 at noon

Parents and friends of City Academy are invited to come to this program where the work of City Academy students will be honored. There will be guest speakers from our student body, City Academy Board of Trustees, and Utah State Legislature.

This program is being held in tandem with the National and Global Youth Services Day in April.

Details will be outlined in next week's newsletter. In the meantime, please plan to join us for this special occasion!

Math, Engineering, and Science Achievement Committee

The City Academy MESA Committee is searching for a parent member for the remainder of this school year. As a member of the committee you will contribute to planning and implementing our spring MESA activities such as physics day at Lagoon, our City Academy career fair, guest speakers for classes, materials acquisition, and an information data base. Also this spring we will be planning and budgeting for MESA activities next year. If you are interested please contact Sonia at 596-8489.

WHAT IS THE WINNING COMBINATION? Healthy Kids and Generous Parents!

Once again, we would like to ask you to help to support the Student Store!

What does it take to donate? Just a moment of your time!

As most of you know, the student store's ability to profit and succeed relies heavily on parent involvement. Please contact either Jodie at jodie@cityacademyslc.org or Rebecca at rebecca.cuppett@octanner.com. You can also call Rebecca at 493-3000 ext. 33672, to see what items are needed in the store.

Cash donations are also welcome.

Don't forget: All donations to the school are a tax write off.

As always, your involvement with the school is appreciated.

Thanks for your help, and remember to see if friends and family want to help out as well.
