

# City Academy

WEEKLY NEWSLETTER FEBRUARY 5, 2008

## Mark Your Calendars!

Black Box theatre is a perfect fit for City Academy, and it affords our productions an air of intimacy that larger theatres lack. Don't miss the debut of our NEW STAGE – as well as the first performance of an original manuscript. “All's Fair...” was lovingly written by our own Bobby Cody, and his talented wife Shelia (and you thought she was just a brilliant Science teacher). “All's Fair...” is set in Café Olympus, a local coffee shop run by an **unforgettable** family. Romantic shenanigans are presented in a series of

vignettes that will endear you to the customers of Café Olympus and have you wishing you could join them for a cup of coffee and conversation.

Opening Night is February 25<sup>th</sup>, with additional performances on February 26<sup>th</sup> and February 28<sup>th</sup>.

**A special benefit performance, which includes prelude music, dinner and dessert,** will take place on February 27<sup>th</sup>. This special evening will raise money for all of the great programs we provide for our students. If you are interested in purchasing seats for the benefit, please contact Sonia Woodbury by e-mail [sonia@cityacademyslc.org](mailto:sonia@cityacademyslc.org)

*Open House!*  
*City Academy will be holding two open houses for prospective students to get more information about our school- Thursday, February 5th and Wednesday, February 18th at 7:00 p.m. C.A. students and parents are encouraged to bring a friend to these open houses.*

## City Academy is Fox 13 “Cool School of the Week”

We are proud to be selected by Big Budah and the Good Day Utah staff at Fox 13 News to be the “Cool School of the Week.” We, of course, know that our school is cool for so many reasons – interesting worthwhile learning and student work in all our classes, student committees making our school a better place, the drama students’ incredible productions, and on and on. Big Budah wanted to know more about our biodiesel school bus and other work the students have been doing on environmental and wellness issues. We had great fun for 3 ½ hours with Big Budah and his camera man filming segments for the Wednesday morning news program. The Fox 13 website below now has City Academy posted as the Cool School of the Week. The 10 2-minute video clips we filmed are not posted to our website yet, but should be soon – keep checking. Thanks to all the students and staff who worked hard to prepare for this experience and came to school so early in the morning.

President's Day

FEB 19  
Early Release  
Midterm  
1:35

## All You Need is Love... for City Academy:)

Make sure you start at [www.onecause.com](http://www.onecause.com) for your Valentine's Day shopping.

Parents, shopping at One Cause is an easy way to support City Academy. If you have not signed up yet, please consider doing so before Valentine's Day as there are great deals at this time. All you have to do is register and start shopping at <http://www.onecause.com>.

There are about 500 popular merchants from ALL categories to choose from on OneCause.com! If you don't see your favorite merchant listed on OneCause, make a referral and there is a good chance that they will be added.

## Labels for Education

Thanks to all of you that sent in Box Tops and Labels. We raised almost \$300 just by submitting the Labels you sent in!

Congratulations to Amber's advisory for bringing in the most Labels! They will be enjoying their Ice Cream Party this Thursday!

We will continue collecting the Labels for the rest of the year so keep sending them in.

## Parents: Pre-register for the 2009-2010 Year Now!

We want all of our current students back for next year and the time for you to ensure that is now! City Academy will be holding our 2009-2010 new student enrollment lottery on Friday, February 20<sup>th</sup>. Please make sure you have turned in pre-registration forms by February 20 to reserve your place at City Academy for next year. This is the only way to guarantee that you can continue receiving the quality teaching, curriculum, and programs that you currently appreciate. We are also excited to add new elective classes along with offering a new selection of the internationally recognized Cambridge International Examinations (CIE) courses for high school students next year.

After February 20<sup>th</sup>, if you are not pre-registered, a new student from the lottery could fill your student's place.

As always, we are happy to welcome siblings of current City Academy students to our community next year. Any siblings of currently enrolled City Academy students who are in good standing at their current school and who complete the pre-registration process for school year 09-10 by Friday February 20<sup>th</sup>, will have first priority for potential enrollment for 09-10. Pre-registration forms for siblings are available on the website, from advisors, and at the front office.

Now is also the time to encourage your friends and relatives interested in City Academy to submit their student's name for the lottery by calling Sara at 596-8489, or by submitting a lottery application form found on our website by February 20<sup>th</sup>.

# **Send a Singing Valentine!**

**Orders will be taken February 2<sup>nd</sup>-6<sup>th</sup>  
and will be delivered during the week of  
February 9<sup>th</sup>**

**The cost is 50 cents per song, which  
includes a card!**

**Students may order during lunch.  
Parents, grandparents, siblings, aunts,  
uncles and friends may obtain an order  
form by contacting  
[deanna@cityacademyslc.org](mailto:deanna@cityacademyslc.org)**

**City Academy's year-long service project is the Pop Tabs for Kids project, which directly benefits the Ronald McDonald House, a facility that serves the families of seriously ill children. Please start saving your pop tabs and have your student bring them to advisory.**

## Give - A - Pull ! for Ronald McDonald House

Ronald McDonald House Charities of the Intermountain Area, Inc.

### Pop Tabs For Kids.

On behalf of the Ronald McDonald House of Salt Lake City, we are proud to introduce you to our ongoing service program:

**Pop Tabs For Kids** brings together the most successful elements of a program which has already proven itself with in the Midwest. Pull tab rings are found on millions of beverage cans. It's these small, all too often overlooked pop tabs that are proving to be a tremendous source of charitable revenue for Ronald McDonald Houses. With the cooperation of schools, companies, and individuals in the community, the Ronald McDonald House of Salt Lake City has raised thousands of dollars since the program kicked-off in April of 1997.

We hope to one day reach the success other Houses

are experiencing. The Minneapolis/St. Paul region now raises over \$65,000 annually through their pop tab program!

The **Ronald McDonald House** serves as a *home away from home*, where families of children

with cancer, life-threatening injuries, premature birth, and other serious illnesses can reside while their children receive treatment at one of the area's nearby medical facilities.

**POP TABS FOR KIDS** is a great program to teach children about the importance of recycling and caring for others.

### Why save only the tab? Why not the whole can?

We collect only the tabs because they are clean, small and easily stored. Of course, once you pull the tab, we hope you will recycle the can as well!

### How can I help?

Collect tabs off any aluminum beverage can and save them in a wide mouth container. When your container is full the tabs can be dropped off at the Ronald McDonald House on 935 E. South Temple. The House is open everyday of the year from 9 am- 9 pm. There is a drop off container inside the house at the front desk.

**Please help** and join this growing effort by collecting beverage tabs in your area. If you would like additional information on implementing this program, or other ways you can help the House, please call the Ronald McDonald House at (801) 363-4663. **POP TABS FOR KIDS** collection container stickers can be picked up at the House.

## Give A Pull Today!
