

CITY ACADEMY

City Academy's Mission is to graduate responsible, informed citizens who have achieved their best academic success. We do this through distinctive teaching that is engaging, investigative and thought-provoking; close attention to each student's finest learning and personal progress; and involving students well in exploration of civic and current issues and in our city.

CITY ACADEMY I'M READY SCHOLARSHIP

City Academy graduates have the opportunity to earn the I'm Ready Scholarship for college tuition by completing the following requirements:

- 1. Earn a City Academy College Ready Diploma***
- 2. Submit a College Ready Scholarship Fund Application to the school director requesting the scholarship.**

Students earning the scholarship will receive a letter from the College Ready Scholarship Fund explaining procedural details for having up to \$1,000 of their college expenses paid at any accredited post-secondary program, college, or university world-wide (up to \$1,200 for students who earn City Academy College Ready Graduation with Distinction).

Students may re-apply for the I'm Ready Scholarship each year of undergraduate education with continued academic success and civic engagement.

We do this through distinctive teaching that is engaging, investigative and thought-provoking; close attention to each student's finest learning and personal progress; and involving students well in exploration of civic and current issues and in our city.

*COLLEGE READY DIPLOMA

After careful review of the Utah State Core College Readiness Standards along with entrance recommendations and requirements from colleges across the country, the City Academy Board of Trustees officially recognizes the City Academy diploma as a College Ready Diploma. City Academy has, and always will maintain college ready standards for its high school diploma. We are proud that our diploma carries that distinctive name. City Academy is committed to achieving the promise of public education – to provide a high quality college preparatory education for every student through an approach that builds the intellectual, creative, personal, social, and civic capacity of its students.
